Together We Will
Make A Difference!

FIVE REASONS TO SUPPORT YANKTON COLLEGE

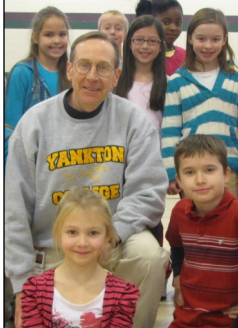

1 My commitments to the Forever Club and Forever Plus are meant to carry on the spirit of Yankton College. Professors like Lang, Janssen, Weed, Savage and deLaubenfels had a positive and lasting influence on my life. You too, have similar experiences. Think about those that influenced you.

2 I enjoy giving back to Yankton College because I hope to help make a difference in another young person's life, the way YC made a difference in mine. I will always be grateful for everything that John Notheis, Bill Bobzin, Ron Bertsch, Don Kortan, John Eidsness, and many others, did to help me become a teacher and coach.

3 Although Yankton College closed its doors over twenty years ago, it lives on through alumni activities as well as its scholarship, cultural, and theology programs. As alumni, we all share a responsibility to our beloved alma mater. By supporting the Forever Club, our contributions keep Yankton College alive and well.

4 We are grateful to Yankton College for so many things: 1) bringing us to the community

5 that has been our home for 30+ years; 2) providing a wonderful liberal arts education that has allowed us to keep learning and growing and 3) supporting higher educational programs. The theology program has allowed one of our close friends to achieve her goal of becoming a pastor. We have seen the children of many of our YC friends and family, including our own daughter, benefit from the scholarship program. We have a lifetime of great memories and continue to make more with the YC folks that live both near and far. We support YC through our donations to honor those from the past and to send Yankton College forward for generations to come.
